

2010 Standing Stone River Challenge

And Pro race Sunday, August 29th

The second annual Standing Stone river challenge registration will take place at the Wysox river park on RT178 under bridge bring your boat early. There will be someone there to watch boats after 7am take your car to Terrtown access. There will be a bus to bring people back to Wysox access and will leave Terrytown boat launch at 9am **sharp** for anyone wanting a ride back to Wysox. Race meeting will start at 10:30am and race will start at 11am.

All recreational and touring classes will start facing down river and pro classes will start facing upstream. This will make a exciting start and will make timing easier. There will be prizes and awards to recreational and touring classes this is a 13 mile course there are long flat-water sections and everyone finishing should feel a sense of accomplishment. The Pro Class will proceed upstream 1.5 miles though a current section then round the cash buoy and continue downstream 16plus miles in all and should only be attempted for those who train and race with frequency and will be challenging to all. There will be some updates and pre-runs weeks leading up to race so anyone is welcome will be announced on website 220adventuresales.com/events. There will be at least \$500 cash and prizes pending sponsorship and number of competitors in your class.
